

MARITA CHENG

ROBOTICIST & ENTREPRENEUR

Speaks on robotics for good, AI and the future, and creating the next generation of women in technology

BIO

Since being named the **2012 Young Australian of the Year**, Marita has delivered 370 speeches, and been named **Forbes World's Top 50 Women in Tech** and **Forbes 30 Under 30**.

Marita founded global companies Robogals, Aipoly and Aubot. **Robogals** inspires girls to study engineering, by teaching girls to build and program robots. **Aipoly** uses AI to recognise objects in real time to help the visually impaired navigate the world. **Aubot** makes telepresence robots and robot arms to care and enable.

Marita is the youngest **Member of the Order of Australia (AM)** for her work in robotics and AI.

SPEAKING DETAILS

Marita is often invited to speak at conferences, corporate functions, organizations and schools. She can talk about her work in robotics and AI and how those industries will impact the future of work, or inspire crowds about building Robogals into a global movement! Speech topics include:

- "Robot Queen to Change the World"
- My bot, your bot, Aubot
- What's real with Artificial Intelligence?
- Robogals: How AI won't take your job, but teen girls might
- Entrepreneurship: Engineering from nothing

WHAT CLIENTS HAVE TO SAY

If you are looking for a motivational speaker... look no further.
National Association of Women in Construction

Marita inspired the KPMG Partners Conference on robotic solutions for the disabled, she was an amazing speaker.
KPMG Partner

Very pleased Lenovo used Ashton Kutcher as a Trojan Horse for presenting Marita Cheng to an unsuspecting audience. Ashton gave a really enthusiastic talk, but Marita easily stole the show.
Audience feedback, Lenovo event with Ashton Kutcher

What an amazing keynote - the audience was captivated.
Laser Wizard

Without doubt one of the most impressive people I have met, building tech that really does change lives.
CIO, ServiceNow

An exceptional speaker, drawing on her background and personal experience to tell a very interesting story. I would recommend her to any organization who want to promote concepts such as individual leadership and innovation.
Standards Australia

I wish every night the 6pm news was Marita Cheng talking.
TechAU

A leader, an inspiration, a game changer.
Kevin Rudd, former Australian Prime Minister

Marita's presentation was fantastic. She is an inspirational, intelligent, highly informed yet humble young woman.
